### **Synopsis**

This kit contains a book and CD. Although having roots very far away from French, Finnish is easily accessible because it is rigorously logical. This kit will be essential for a professional voyage or for approval. It includes: A conversation handbook allowing you to discover the key words, basic grammar, current expressions and local habits. It comprises a lexicon of over 2000 words. The audio CD contains 65 minutes of bilingual recordings: the vocabulary and sentences essential to understanding the handbook.
