"It's sexy and erotic, a dark love story with enough heat to curl your toes." --"New York Times" bestselling author J.S. Scott Présentation de l'éditeur

A deadly lover. His perfect mate. Asher is everything Aria's never dared to imagine: sexy, confident, and rich. But if she convinces him to take her to his bed...her first time may be her last. Incubus Asher Chain seduces every woman he meets whether he wants to or not, and refuses to let anyone grow close to him. Until the alluring, tattooed waitress Aria Hyacinthe admits she's been living in her car. Enthralled by her unusual beauty--and terrified he'll succumb to his deadly, incubus needs--Asher offers her a place to stay. Living in Asher's loft above his gym, Aria's desire for his body is growing more urgent with every touch. Used to being the backward, shy one, in his presence she becomes fierce, captivating, and breaks down Asher's walls against all his attempts to keep his distance. She has no clue that if he gives in to her passionate pleas, she won't survive the night, just like all the other women who have fallen victim to his charms. But the deeper Asher and Aria fall in love, the harder he must fight the incubus in his soul, demanding her life.
